It is **terrible** to Lose a **home**,  
but **tragic** to Lose a **family**.

The Home Builders Association of Jackson County, Rogue Federal Credit Union, and NewsWatch 12 are actively working to help with the current housing situation.

Our goal is to provide support to families and individuals who are near or in the process of experiencing the loss of their home through foreclosure or bankruptcy.

*One in seven homeowners worry that they won't be able to make their mortgage payments on time over the next six months, according to an Associated Press-AOL Money & Finance poll, and more than one-quarter fear their homes will decline in value during the next two years.*
